

It's the confidence of genuinely knowing you have the best in the world on your side. Knowing precisely where you stand, who you can depend on, and what to expect next.

That calmness is a feeling many of the world's most well-regarded companies and their employees share, knowing they have the innovative products, unparalleled expertise, and superior service of EquiServe® working for them. Which is one reason why, for Shareholder Services, Employee Stock

the calmness of knowing

Plan Services, Investment Plan Administration and Corporate Actions, EquiServe is entrusted with the care of more shareholders than any other stock transfer agent in America today.

With the significant investments in advanced technologies we're making, EquiServe will continue to be the premier choice tomorrow. Find out more by giving us a call at 781-575-2717, or visit our web site at www.equiserve.com today. And feel the calm for yourself.
