

Primary Care Physician Dr. Guy Spinelli, MD, ► has been practicing in Quincy for over 20 years, and is just one of the highly-regarded local physicians who treat South Shore families here at Quincy Medical Center.

You cannot guarantee her good health. But when you find that there are truly world-class doctors practicing right here in Quincy, you can guarantee that

caring for her health can be easier on her, every single day.

Trust that her physician is one of the top area doctors who has been at the core of Quincy Medical Center's quality for decades. Our primary care physicians are a key part of our *Alliance for Quality* with Boston Medical Center. They work hand-in-hand with world-class specialists and surgeons, for the most advanced treatment available anywhere.

When it's her health care, can 'good enough' ever be good enough?

Call 617-376-2237 today to find out more. Or visit www.quincymc.org. World-class care is right here in Quincy. And when it's her health, that's not just good news...that's Truly Remarkable.™
